The name of this organization shall be the Williamson County Republican Party Executive Committee (hereinafter referred to as County Executive Committee or CEC).

ARTICLE II PURPOSE

The purpose of the County Executive Committee shall be:

1. To develop and sustain a countywide organization through which the Republican Party of Texas (RPT) can exercise those powers and responsibilities conferred upon it by state and federal statutes;
2. To establish general policy and to be responsible for the supervision and management of the Republican Party in Williamson County;
3. To exercise in a conscientious manner those prerogatives accorded to it by these bylaws and the RPT Rules;
4. To represent the Republican Party of this county, state and nation, articulating the Party's positions, promoting the Party's candidates, and supporting the party's legislative priorities;
5. To provide opportunity for full participation in the Party to all Texans who subscribe to the beliefs and principles advocated by RPT; and,
6. To cooperate in carrying out programs initiated by RPT, including, but not limited to, conducting a Republican Primary and organizing a coordinated effort preceding each municipal and general election to publicize the Party's candidates or Party-supported ballot initiatives, increasing voter engagement, and encouraging Republicans to participate in Party activities, up to and including Convention.

ARTICLE III MEMBERS

Section 1. The voting members of the County Executive Committee shall be composed of the County Chairman and the Precinct Chairmen of the respective county election precincts in the county, who are to be elected biennially as provided in the Texas Election Code (i) or otherwise appointed according to provisions within these bylaws. Entire membership for the purpose of this document is defined as the total of elected and appointed Precinct Chairs and the County Chairman.

Section 2. The County Chairman or a Precinct Chair who has failed to perform statutory duties, including the requirement to preside over at least one meeting of the CEC per quarter, may be removed for abandonment of office as provided by Texas Election Code (ii) and RPT rules (iii). At their fourth consecutive missed meeting, as reported to the CEC by the Secretary, a Precinct Chair will immediately be the subject of a Resolution brought forward to the CEC to begin the removal process outlined in Texas Election Code (ii). A Pct Chair who has moved out of their precinct is no longer eligible to serve as the Pct Chair according to Texas Election Code 171.023; and shall report the change of address to the County Chair and Secretary within 7 days of their change of residence.

Removal of any appointive officer requires a seven (7) day notice to the officer and CEC, and the approval of two-thirds ($\frac{2}{3}$) of the CEC members present and voting. The individual will still retain their elected or appointed Precinct Chair position, unless otherwise specified in the removal resolution.

The notice must:

1. State the reasons the CEC believes the office has been abandoned, and
2. Request a written response from the **precinct** chair within seven (7) days of receipt, affirming whether they wish to continue serving.

If the **precinct** chair fails to respond, declines to continue serving, or fails to affirmatively state their desire to remain in office, the office shall be declared vacant by operation of law, and the vacancy shall be filled pursuant to the procedures in this subchapter.

If the **precinct** chair does respond and affirms a desire to remain in office:

1. The seat shall not be vacated solely on the basis of missed meetings or non-performance at that point; however,
2. The County Executive Committee may, at its discretion, remove the **precinct** chair by a **majority** of the **members** present **and voting** when it determines the absence has impaired representation or participation; however, the Committee may instead vote by a majority of the **members** present **and voting** to grant the **precinct** chair a one-time grace period of **one** additional consecutive meeting absences, provided that:
 - A. The **precinct** chair requests a one-time grace period of up to **one** additional consecutive meeting absence, provided that:
 - B. The **precinct** chair submits a formal written request, citing specific reasons for invoking the grace period;
 - C. The **precinct chair's grace period** request is made **concurrent with the affirmative response required under the Texas Election Code §171.029**.

The grace period shall not be extended or repeated under any circumstance. Once the grace period ends or is violated, the seat shall be declared vacant by the County Executive Committee without further action required.
