**YOU CAN TAKE THIS INTO THE
VOTING BOOTH!**

The **Williamson County Republican Party** supports candidates and incumbents who have kept our county **safe, prosperous, and free** for decades. We are committed to **secure borders, public safety, fiscal conservatism, and responsible growth**. The **Radical Left** is gaining ground statewide; don't let them turn our county into a haven for criminals and socialists.

**Vote Republican
all the way down
the ballot.**
